

The Great UK Lock UP!

www.clearinternational.org

INCLUDES:

- 12 hours African style (well almost) incarceration
- Raise your own sponsors for "bail" - minimum £100 (£50 for students)

**GET OUT OF JAIL CARD
FEE!**

We are asking you **all** to **DO SOMETHING** slightly unusual to raise a minimum of £100 for the CLEAR projects in Africa. Every penny raised is used in our overseas ministry.

- £100 buys representation for at least 4 young offenders when they are brought before the Magistrates for the first time.
- £100 pays for a rural legal education seminar teaching on human rights and developing the mediation role of local leaders
- £100 pays for a training session for a group of para-legals within a prison reducing individual remand times by many years.
